

IMAGE RELEASE INFORMATION

Photographs of the children will be taken while engaged in various take home activities, virtually interacting with parents and peers. These pictures will be used for newsletters or to make a yearbook keepsake, promotional brochure, the school's website, the school's Facebook Page or at a Preschool Faire.

Fremont Parents' Nursery School endeavors to uphold children's personal rights. It is our commitment to safeguard the well being of every child enrolled in our program. Please carefully read information stated below:

Childs Name: _____ Group _____

Parent 1: _____ Parent 2 : _____

May we publish your child's photograph on the FPNS website, newsletter, or brochures or other marketing materials, with the understanding that your child's privacy will be guarded?

- Yes, I give FPNS permission to publish our or our child's photograph on the FPNS website, newsletter, or brochures or other marketing materials, with the understanding that our child's privacy will be guarded.
- I prefer to sign a separate release for each photograph prior to publication in the FPNS newsletters, website or brochures.
- Please do not publish any of my/our photographs on the website, newsletter, brochures, etc.

May we publish your child's photograph on social media platforms i.e. Facebook and Instagram?

- Yes, I give FPNS permission to publish our and our child's photograph on social media platforms.
- I prefer to sign a separate release for each photograph prior to publication on social media platforms
- Please do not publish any of our photographs on social media platforms.

If necessary, may we obtain video recording of your child for classroom use only?

- Yes, I give FPNS permission to obtain a video recording of our and our child's images.
- I prefer that FPNS obtain my permission to obtain a video recording of my/our child.

____I understand that it is my responsibility to update this form in the event that I no longer wish to authorize the above uses.
