This is a part time position and there are no benefits at this time.

Our school follows a Play Based Philosophy where we can explore and learn through play, observation and social interactions. Here at FPNS children are able to be themselves and grow, while learning respect and appreciation of others and other living things. Where a child's natural enthusiasm for learning is encouraged while providing opportunities to be successful and challenged. Here, a child can learn and feel a high sense of self-worth and pride in their accomplishments.

The Parents make a commitment to learn along with their children. Parents gain insight into their child's development and strengthen their child rearing skills through informal observations, staff meetings and Parent Education Nights.

Apply: Please specify the class you are sending your resume for with a cover letter, to the Director at info@fpns.org
